**Subject:** EPA Meeting Summary Notes 5-21-2015 - Upper Animas Valley Watershed Project

Hi Everyone,

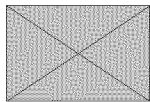

Thanks again for taking the time to meet with me last week and explaining some key project details for the Upper Animas Valley Watershed Data Search and Organization project.

Please see my attached summary notes from last Thursday's meeting at EPA Region 8 headquarters. If you would, please review my notes and if you have any clarifications or changes, let me know by end of day tomorrow. If you have no comments to the notes, we can consider them final.

A Word and pdf version are attached. The pdf also includes a scanned copy of our sign-in sheet with Paula's business card.

Thank you,

Jon Vail
